2011**

THE PRESIDENT'S CORNER

Dear Club Members,

First let me say thanks to the membership for the outstanding covered dish supper we had at our October meeting. Everything I tried was delicious and I did my best to make sure no one had to take home any leftovers. Please note that our November meeting is November 17 due to the Thanksgiving holiday the next week. We will have a traditional Thanksgiving dinner thanks to our kitchen crew. I also hope everyone found Rick Williams presentation on changes to the concealed carry and self defense laws that go into effect December 1st informative and helpful. I know I did.

Our November meeting will be our annual business meeting so please plan on attending. We will elect new officers and board members. We also will have a least one addition to the by laws to be voted on so please plan on being at the meeting.

We continue to have problems with some members willfully destroying club property. The windmill wind indicator between the 200 and 300 yard berm has been shot numerous times based on the number of bullet

holes in it. This kind of behavior is unacceptable as well as dangerous. In order to stop this kind of vandalism the Board of Directors has authorized a **\$200** reward for anyone providing information as to who/whom the culprits who shot up the windmill are. The person providing this information will remain anonymous. If you have any information such as observing some one shooting at the windmill please let me or one of your board members know and we will deal with the problem. The officers and directors are extremely concerned that someone would show such a lack of common sense and destroy club property this way. Therefore if we can determine who did it we will take disciplinary action against that individual. Again please contact me or a member of the board if you know who did this.

Finally as I come to the end of my term as the president of the CVWC I want to thank all of you for making it a real pleasure. I will of course stay involved as past president. We have accomplished a lot in the last 3 years, but thanks to your fine BOD we have plans that will carry us well into the future. One of the areas I will be very active in is extending the shooting sports to women and youth by using the talents and assets we have at the CVWC. Hopefully next year

The Catawba Valley Wildlife Club was founded by local sportsmen on March 8th, 1939 (as the Catawba County Rod and Gun Club) because of a recognized need for wildlife management, land and water conservation and a forum for local sportsmen. We are supportive of sportsmen and women of all races, creeds and nationalities. We support and promote organizations such as scouts, schools, 4-H, churches, and like organizations that contributes to wildlife conservation, environmental efforts, and expose young people to positive sporting ethics and models of behavior.

(spring) we will have a Women on Target event and also a Women in the Outdoors event. We are also working diligently on coming up with a youth shooting program to get more young people involved. This will help insure we get new young blood into our club and keep it around for another 75 years.

It is hunting season so good hunting and be safe, Practice safe gun handling at all times and obey the game laws wherever you hunt.

Bob Meek
President
