

Wobble Trap Range Rules

- Treat every gun as if it were loaded.
- All shotgun actions are to be kept open – no shells in gun when not in shooter's box or station. Load only when you are prepared to fire.
- Always keep muzzle pointed in a safe direction – no exceptions!
- Ear and eye protection are for your own safety and are required at all times for everyone on or near the course – shooters and spectators.
- Shoot only from the designated shooter's box or station.
- Empty gun and clear the action before turning or leaving the shooter's box or station.
- No shot size bigger than 7 ½ load permitted and no loads heavier than 1 1/8 permitted. No steel shot permitted.
- No alcoholic beverages or abusive language on the course.
- Pick up your empty shells and dispose of them in the containers provided.
- Make sure you fill the trap and release the spring arm when you are finished.
- Deposit funds in furnished mail box and fill out sign-in sheet.
- Non-members are required to fill out guest waivers. Guests are the responsibility of dues-paying members, who should accompany them at all times.
- Children must be under the direct and close control and supervision of their parent or guardian while on the course.
- All guns not in actual use shall have their actions visibly open in such a manner that any prudent person could tell the weapon is safe.
- Anyone breaking these rules will be subject to disciplinary action as determined by the Board of Directors – **WE TAKE THESE RULES VERY SERIOUSLY** – being ejected from the facility and from membership are among the best of several outcomes you could expect if you violate these rules.
